## Prescott Jazz Society, Inc.

We continually salute this Great Music that is very much appreciated the world over as we introduce our program video regarding the inaugural **CORNER-STONE JAZZ FESTIVAL** collaboration. With all else in place, the Prescott Jazz Society will continue our fundraising platform to reach our goal of **\$40,000.00.** *(see video)* Attractive venues located in the Prescott area have been located for a choice of outside or inside performances of our annual ***Juneteenth jazz splash Festival.*** We will continually work to select and present the 'gospel of jazz disciples' that will take us to the 'holy land' of jazz performance. With our selection of the most attractive jazz venues we are offering our patrons the best possible scenario for the most enjoyable and memorable jazz experience.
